Linear

Linear Flex High Output

Finally, give your retail space the ambiance it has dreamed of with the Linear Flex HO! With its slim profile and flexible body, it can hug any curve or straight edge, and do it discreetly, only drawing attention to your illuminated merchandise and not the light source!

Cove Lighting

Mundo Cove

Illuminate your ceiling with the Mundo Cove. Its sleek design and adjustable aiming options provide very even, warm light, creating an elegant and welcoming atmosphere for your clients.

Direct View

SmartLed Flex

The SmartLed Flex is a retail must-have, oozing with glamour and sophistication. This groundbreaking direct-view fixture can be used for both indoor and outdoor applications. With its amazingly uniform light throw, it's no surprise that it's already adorned many luxury buildings and spaces in Europe, including the world famous W Barcelona Hotel

Spotlighting

Gaia

Go ahead and take a bow under our discrete spotlight fixture, the Gaia, because it deserves a standing ovation! With adjustable light direction, it's ideal for not only spotlighting but also accenting and highlighting your display cases, shelves and other detailed applications for your retail space.
